THE OFFICER-IN-CHARGE or the OJT Coordinator

-OJT for BS Entrepreneurship, Information Technology and BSBA- Marketing and Financial Mngt

ZAMBOANGA PENINSULA POLYTECHNIC STATE UNIVERSITY

R.T. Lim Boulevard, Baliwasan, Zamboanga City, Zamboanga del Sur

Email: zcspc@zcspc.edu.ph ; zpps@zpps.edu.ph

Dear Sir/Madam,

Greetings!

FastSend Mobile Solutions Corporation (www.fastsend.com.ph) is a fintech company that **aims to financially include the unbanked** via our FastSend Mobile app thru our network of FastSend agents.

During our successful beta-testing in Manila, Oriental Mindoro, and Palawan, we have recruited college and university On-the-Job Trainees (OJTs) from Polytechnic University of the Philippines, John Paul College, etc. and Senior High Students—STEM, ABM, and ICT strands—for their Work Immersion programs. Attached are pictures for your perusal.

For our internship program this year, we will start interviewing next week OJT applicants from PUP-Main Campus, TIP-Quezon City, Our Lady of Fatima-Antipolo, FEU-Roosevelt, Angeles University Foundation-Pampanga, Central Luzon State University-Nueva Ecija, Cavite State University, among others. Joining us on-board are deserving graduating Marketing, Financial Management, BSIT, BS Entrepreneurship, etc students. Office work will be in our Marikina office accessible via LRT2 at the back of Ayala Mall Feliz. **For work-from-home, we have crafted an effective strategy same as last year for those students to apply in the field the digital marketing, financial technology and automation of financial services, online entrepreneurship and the cloud-based applications of the products and services we are offering.**

For our expansion in Zamboanga Peninsula (Region IX) consisting of the provinces of Zamboanga del Norte, Zamboanga del Sur, and Zamboanga Sibugay, we are looking for College/University students, such as those from your prestigious school, Zamboanga City State Polytechnic College- who are interested in participating in our internship program or Work Immersion for Senior High School students. The main tasks are for the onboarding online of the clients of Zamboanga del Norte Electric Cooperative (ZANECO), Zamboanga City Electric Cooperative (ZAMCELCO), Zamboanga del Sur 1 Electric Cooperative (ZAMSURECO 1), and other electric cooperatives in the region as well as giving opportunities to local companies in Zamboanga Peninsula to offer their businesses online thru integration to the FastSend Mobile App. Specifically, the major requirements and roles are:

- 1.) **Must be residents of any of the provinces in Zamboanga Peninsula (Region IX).**
- 2.) **Willing to conduct basic field research and data gathering to their current and neighboring barangays.**

3.) **College/University students with the following majors:**

- a.) For **Marketing Associates trainees** – Marketing Management, BS Entrepreneurship
- Assist in the creation and implementation of marketing strategies, materials, and campaigns especially for the partnership with local companies and cooperatives.
 - Conduct market research and analyze consumer behavior.
 - Monitor and report on the performance of marketing campaigns.
- b.) For **Mobile App Developers & Website Developers trainees** – Information Technology, Computer Science, and related courses.
- Design and develop mobile applications and website.
 - Collaborate with the development team to create innovative solutions.
 - Coordinate with various departments to ensure smooth workflow.
- c.) For **Liaison Officers trainees** – BS Entrepreneurship, Human Resource Management, Operations Management, Business Economics, Office and Financial Management
- Facilitate and support operational management processes.
 - Contribute to strategic planning and decision-making especially for the partnership with local companies and cooperatives.

4.) **Senior High School Students of the following strands:**

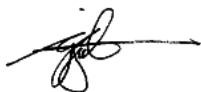

- a.) For **Mobile App Developers and Website Developers trainees** - STEM and TVL-ICT
- Gain hands-on experience in basic coding, troubleshooting and problem-solving.
- b.) For **Liaison Officers trainees** – ABM
- Learn fundamental operational concepts, research, data analytics and strategies.
- c.) For **Marketing Associates trainees** – ABM
- Contribute to the development and deployment of marketing materials/campaigns.

As a fintech organization with initial focus on bills payment services, we are extending invitation to interns who can actively contribute to various aspects of our operations. Our goal is not only to achieve company objectives but also to foster skill growth among the students. Through this collaboration, we aim to create a mutually beneficial environment where both our organization and the interns contribute to each other's success in reaching their respective goals.

Applicants may visit our Marikina office at 2/F Maria Compound Building, #14 Nicanor Roxas Street, Brgy. San Roque, Marikina City, or email us at cenen.zorilla@fastsend.com.ph or call/text 09171573278, 094961942468. Our Marikina office is accessible at LRT2 via Marikina/Pasig station.

Best regards and more power to Zamboanga City State Polytechnic College and FastSend Mobile Solutions.

Sincerely yours,

Mr. Cenen P. Zorilla
Chief Operating Officer

FASTSEND MOBILE APP FOR DIGITAL PAYMENTS OF THE UNBANKED TO ELECTRIC COOPERATIVES 24/7, Monday to Sunday

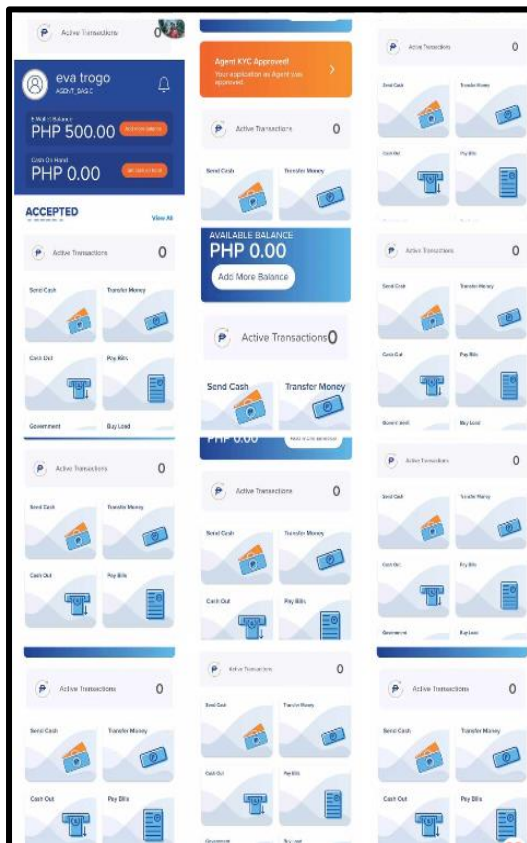

ORIENTAL MINDORO ELECTRIC COOPERATIVE

BUSUANGA ELECTRIC COOPERATIVE

TABLAS ISLAND, ROMBLON ELECTRIC COOPERATIVE

COMPANY PROFILE

FASTSEND MOBILE SOLUTIONS CORPORATION

FastSend is a company founded in the Philippines to promote financial inclusion for all Filipino families. The company has partnered with well-known technology firms like Amazon Web Services (AWS), GCash, ECPay, and others to achieve this goal. FastSend uses mobile technology to simplify financial transactions and elevate the quality of life of every Filipino.

FastSend aims to establish a nationwide network of FastSend agents using its user-friendly mobile app following *Bangko Sentral ng Pilipinas'* directives to make financial services accessible to every Filipino. These services include sending and receiving money, online and offline transactions, paying bills, and purchasing necessities.

HOW IT STARTED

FastSend started as an idea and concept, manifested on February 23, 2019 with less than 10 employees including the Mobile App Developers, Product Managers, CTO, CEO, and COO. Presently, we have 50+ employees, 20+ interns, and 150+ users and agents, still counting. With the help of technical services provided by the Amazon Web Services (AWS), the FastSend Mobile Application and FastSend Web Application is operating with great efficiency.

OUR LOGO

The logo represents the innovativeness and agility of the financial technology app developed and created to serve the unbanked and the people from the last mile of the Philippines.

VISION

Financial inclusion for the unbanked.

MISSION

Mobile technology for nationwide offerings of financial services in money transfers and digital payments.

SERVICES OFFERED

FastSend offers financial services such as Send Cash, Cash-In, Cash-Out, Transfer Money, Pay Bills, and Buy Load. Send Cash feature provides sending money from one user to another, may it be cash or e-money with the help of Agent Network. Cash-In and Cash-Out feature offers putting in and encashment of e-money in the app. Transfer Money grants the wallet to wallet type of sending money transactions. Pay Bills feature gives the user the opportunity to pay his/her bills digitally and hassle-free. Buy Load feature offers the seamless buying of load promos exclusively available in the app.

TARGET MARKET

Our solutions cater to a diverse customer base, especially the unbanked and the last mile individuals including small businesses, and entrepreneurs seeking reliable, secure, convenient, and user-friendly financial services. We prioritize accessibility and inclusivity, ensuring our services are suitable for both tech-savvy individuals and those new to digital finance.
